Item 7.01 Regulation FD Disclosure.

In connection with the Company's normal monitoring of its assets, the Company has determined to reclassify approximately \$2.2 billion of securities currently held in its Available for Sale ("AFS") portfolio, to its Held to Maturity ("HTM") portfolio. This reclassification is expected to occur on March 1, 2011, and will change the allocation from 98% AFS and 2% HTM, to approximately 65% AFS and 35% HTM. The types of securities subject to reclassification are Government National Mortgage Association ("GNMA") pass throughs, GNMA Collateralized Mortgage Obligations ("CMOs"), and United States Treasury Notes. The impact of this reclassification, if any, on the Company's financial condition and results of operations will depend on interest rate environments and other factors which are not estimable at this time.

Item 8.01 Other Events.

On February 24, 2011, Peter S. Ho, Chairman, CEO and President of Bank of Hawaii Corporation (the "Company"), entered into a pre-arranged stock trading plan to sell a limited amount of the Company's shares to pay for certain taxes not subject to tax withholding, which will be incurred as a result of the January 31, 2012 vesting of a previous 15,000 restricted share grant. The pre-arranged stock trading plan is designed to comply with Rule 10b5-1 of the Securities Exchange Act of 1934, as amended, and the Company's insider trading policy regarding stock transactions (the "10b5-1 Plan"). The 10b5-1 Plan allows for the sale of a maximum of 2,500 shares of the Company's Class A common stock commencing February 1, 2012 pursuant to a pre-established formula. The 10b5-1 Plan may terminate sooner in accordance with its terms. Mr. Ho will continue to be subject to the Company's executive stock ownership guidelines whereby he is encouraged to own Company stock having a market value equal to at least five times base salary. Stock ownership includes the value of vested stock options, restricted stock, stock units from qualified plans, and other stock. Transactions made under the 10b5-1 Plan will be disclosed publicly through Form 4 and Form 144 filings with the Securities and Exchange Commission. Except as may be required by law, the Company does not undertake to report on specific Rule 10b5-1 pre-planned stock trading plans of Company officers or directors, nor to report modifications or terminations of the aforementioned 10b5-1 Plan or the plan of any other individual.
